Notes :

- (1) The limit for phthalates is referenced to the requirement stated in County of Marin Court Case No.: CIV 091150, County of Solano Court Case No.: FCS-033234 and Public Law (Consumer Product Safety Improvement Act of 2008, CPSIA)
 - (2) The reference limit applied in testing is based on particular prop 65 settlements that are most similar to the tested product in the opinion of the lab. The testing in this report does not reflect a user's actual exposure to the tested chemical.
- A manufacturer or retailer that is not named in the referenced settlement is not bound by that settlement, and may choose to comply with Proposition 65 by clearly informing the consumer of potential exposure.
